

SOUTHERN ARKANSAS UNIVERSITY

CommUnity Involvement...

**at the heart of Southern Arkansas University's
Complete College Experience.**

From "Muleriders in Magnolia" to the Angel Tree to countless other community initiatives hosted by members of the Mulerider family, SAU has taken service learning to a whole level in Magnolia, Columbia County, and beyond.

SAU's efforts in this region have been recognized on the national level by being named for five straight years on the President's Community Service Honor Roll. In 2012, SAU was the only university in Arkansas to earn a spot on the coveted Community Service Honor Roll with Distinction. More recently, the initiative by SAU Athletics "Muleriders in Magnolia" won the NCAA Division II Award of Excellence for Community Engagement.

To find out more about how SAU is committed to our community, visit www.SAUmag.edu/Community. This website was established to be a portal for SAU's community involvement, and included are links to request help from SAU on your project or initiative and to suggest more ideas for SAU students, faculty, and staff to get involved in Magnolia and beyond.
